FISCAL ANALYSIS

Assumptions:

Department of Labor and Industry

- HB 482 adds language to include the listing of individuals professionally licensed under Title 37 who commit the offense of sexual assault in the Sexual Offender and Sexual and Violent Offender Registry in certain cases.
- Checking the Sexual Offender and Sexual and Violent Offender Registry as part of screening applications for licensure under Title 37 should not impose any undue burden or cause specific costs to occur, and as such, no fiscal impact is anticipated.
